PREMIUM VILLA

# Foresta Villas

Foresta Villas is a boutique residential project of three modern villas, nestled in a quiet corner of Rawai, Phuket.

Each villa is thoughtfully furnished and fully equipped — from furniture and appliances to smart home features, lighting, textiles, and tableware.

All that's left is to bring your suitcase and make yourself at home.

# Foresta Villas

We designed the villa's interior together with professional designers and skilled furniture makers. The result is a space that's not only stylish, but also ergonomic and truly comfortable for everyday living.

All furniture is made from high-quality materials, well-suited to the tropical climate. Everything you see in the visualizations will be brought to life — just as shown.

# Living Room

The living room has everything you need to relax and feel at home:

- A spacious, comfy sofa
- A widescreen TV with a stylish low console
- A coffee table that adds a design accent
- Built-in storage with a washer and dryer
- A dining table with chairs — perfect for cozy family dinners
- Decorative wall panels that set the mood
- A rug, curtains, and soft lighting for extra comfort and warmth

# Kitchen

The kitchen is the heart of the home — everything here is within reach and thoughtfully arranged:

- A full set of modern appliances: cooktop, oven, fridge, microwave, dishwasher, wine cooler, and range hood
- Built-in cabinets with plenty of storage space
- A convenient kitchen island with a sink and extra shelving
- All the necessary cookware and tableware
- A shelf just for glasses
- Open shelves for your favorite spices

# Master Bedroom

The master bedroom is a special space for rest and relaxation. It comes fully furnished and finished with:

- A spacious bed with a comfortable mattress and quality bedding
- Two bedside tables
- A large built-in wardrobe
- A dressing table with a chair — a cozy corner for your favorite daily rituals
- A separate workspace with a desk
- A decorative wall panel with a unique designer touch
- A rug, curtains, and soft lighting that create a warm and inviting atmosphere

# Bathroom 1

The bathroom is designed to make both the start and end of your day truly comfortable. The bathroom features include:

- A vanity area with open shelves to keep your favorite essentials within easy reach
- Closed storage and a large mirror
- A smart toilet
- Convenient open shelving in the shower area
- And finally, a bathtub by the panoramic window — the perfect spot to unwind and wash away the day's fatigue

# Bedroom 2

The second bedroom is a cozy space, perfect for children or guests. It includes everything needed for a comfortable stay:

- A wide bed with a mattress and quality bedding
- Two bedside tables
- A spacious wardrobe
- A TV stand with a widescreen television
- Decorative wall panels, a rug, curtains, and soft lighting to create a welcoming atmosphere

# Bathroom 2

The second bathroom is designed with the same attention to comfort and detail. It features:

- A washbasin with convenient storage and open shelves for everyday essentials
- Spacious closed storage
- A large mirror
- A smart toilet
- A functional shower with open niches for accessories

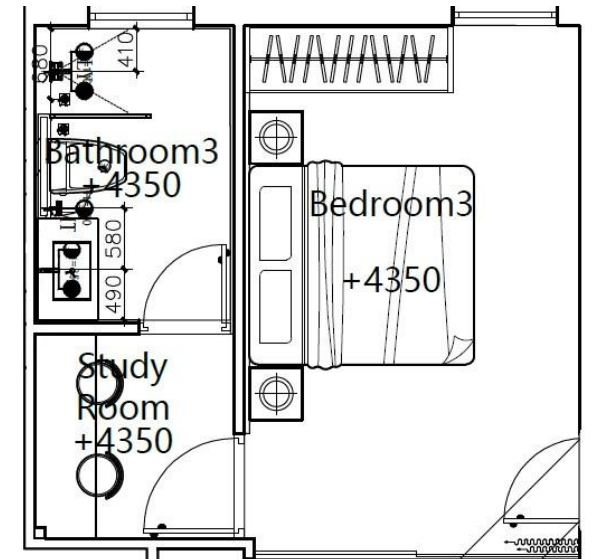

# Bedroom 3

The third bedroom is a bright and versatile space, perfect for both relaxation and work. It combines calmness with a cozy feel:

- A comfortable bed with a quality mattress and bedding
- Bedside tables
- A spacious wardrobe for storage
- A TV area with a stand and a widescreen display
- Decorative touches — wall panels, a rug, curtains, and lighting
- Plus a cozy, small study where you can work or simply enjoy some quiet time alone.

# Bathroom 3

The third bathroom is thoughtfully designed for comfort and functionality. It includes:

- A washbasin area with open shelves for your daily essentials
- Enclosed storage and a mirror
- A smart toilet
- A convenient shower with built-in niches for toiletries

# Smart Home System

And finally, to make your home as comfortable and modern as possible, we've added cutting-edge technology.

The villa is equipped with an Apple-based Smart Home system, which includes:

- Siri voice assistant
- Smart lighting control
- Climate control
- Automated curtains
- Smart lock and front door access
- Parking gate control
- Video surveillance system

Control everything however you like — with your voice, a button, your phone, watch, or tablet.

All in one touch, from anywhere in the world, through one easy-to-use app powered by licensed Apple technology.
